Master Class Recommendations:

In general, master classes are included in the performance fee for presenting organizations. Please take note as this information does supersede the technical rider.

- Master classes are 90-minutes unless otherwise arranged ahead of time. Latecomers will not be admitted.
- Transportation to-and-from hotel must be provided to guest teachers in order to allow him\her to arrive 20 minutes before the master class.
- Presenter will ensure that the studio is clean and at room temperature of 70 degrees.
- Class size is limited to 35 students. Please notify the company if additional students beyond the specified limit would like to take the class.
- Presenter will make the best effort to group the class by skill and age.
- The accompanist must have experience or a sound system with MP3 connection must be provided. Presenter will notify the Company prior to the master class to advise about sound.

Please note:

Students new to modern dance or contemporary must be made aware ahead of time of the barefoot requirement and proper dance attire.
